The Premier College Combines are a great way to be seen by college coaches during the winter months. Players are assigned to teams by position. Each player will play in at least 3 - 15 minute games spread throughout the day in front of college coaches. The Hudson Valley Sports Dome (seen here) has field turf fields with NO BOARDS. Each team consists of 6 field players and 1 goalkeeper. The college coaches will receive a resume book with a resume page for each participant.

Space is very limited this. Do not wait. You can register online at [www.collegecombine.com](http://www.collegecombine.com)

We have found that a good number of the Colleges will not register until 7-10 days before the event. Approximately 20% of the Programs who will not pre-register but will attend nonetheless. We encourage combine participants to contact any and all schools they are interested in prior to attending the Combine and not to rely on the above partial lists.
